

Embedded Security Professional

Let the security experts, find you a security expert!

Security & Safety Directors

Full support services from MSG RM&I

Gain access to our services:

- Risk Services
- Intelligence Services
- 10% Discount on Protective Services

Global security network

We reach into our network of security professionals, comprised of former military or law enforcement personnel, finding the person with the right skill set and the right fit for your company culture.

Save time, hassle, and ultimately money

After six months if you're satisfied with your new employee, you can hire them. If you are not satisfied, we will embed another resource (at no cost) who may better fit your needs.
